

Try-out Information for the 2009-2010 Soccer Season

We still have some open spots on our team. If you would like to try-out, please contact one of the contacts listed below as soon as possible.

What to Bring

- A check for \$10 made payable to the **Churchville Youth Association** (insurance fee). This check will **not** be returned to the athlete if they do not make the team.
- A copy of the athlete's **Birth Certificate** (if you are new to this team).
- A completed CYA **Registration Form** (copy attached). A copy can also be print from the soccer club's website (www.cyasoccer.net)
- A check for \$245 made payable to the **Churchville Youth Association** (summer soccer registration fee). *This check will be returned to the athlete if they do not make the team.*
- Soccer cleats, size 5 soccer ball, shin guards, water bottle. (Size 5 will be used during the season)

The Churchville Tigers are entering their 5th year of competitive soccer. The team will be preparing to compete in a competitive U14 Division for the 2010 summer soccer season.

Team Expectations

Fall / Winter Soccer Season Commitment (beginning September, 2009)

- Anticipate participation in Early &/or Late Winter Indoor Soccer League
- No practice over holidays. A few "friendly" games (scrimmages) spread out over the winter months.
- The in-season sport (i.e. hockey, basketball) and important family, religious, and school events take priority.
- Fund-raising and/or "buy-out" option will be used to cover the cost of indoor soccer field rental fee, tournament and/or league registration.

Summer Soccer Season Commitment (beginning April, 2010)

- Practice twice a week until games start. Minimum of two local soccer tournaments.
- Extremely important family, religious, and school events take priority. Family vacations should be scheduled around summer soccer. Since this is the "in-season" sport other sports do not take priority.
